PREFACE

SHORT TITLE	This tariff is published by Batumi International Container Terminal LLC (BICT) and is generally referred to as the BICT Standard Tariff.
APPLICATION	The tariff applies to services provided by BICT. For tariff for services not included herein please contact BICT management. Actual charges may vary depending on properties of the cargo. Interpretation of the tariff belongs to BICT.
TERMS OF BUSINESS	Services provided under this tariff are subject to the STANDARD TRADING CONDITIONS published separately by BICT.
NOTICE TO PUBLIC	This tariff is notice to the public that the rates and charges contained in the tariff apply to all users who don't have separate agreement with BICT. In addition to the charges contained herein, vessels and cargo will be subject to dues and taxes as published from time to time by Batumi Sea Port and the Government Authorities of Georgia.
RIGHTS RESERVED	Batumi International Container Terminal LLC reserves the right to furnish all equipment, supplies and materials, and to perform all services in connection with the container operation in Batumi Seaport.
CHARGES	The charges prescribed in this tariff are in addition to any other tariff, notice or law or any other charges that may be owing to or levied by the Batumi Sea Port (BSP). It also excludes any taxes that may be levied by the Georgia Tax Authorities such as Value Added Tax (VAT).
CURRENCY	The currency of this tariff is US Dollar.
PAYER	Payer for the services is the party requesting services if not agreed otherwise.
STORAGE CHARGES	Storage charges for Full Import containers will be collected from consignee. Storage charges for Full Export, Transshipment and Reefer charges will be collected from the shipping line.

DEFINITIONS

Company	Batumi International Container terminal LLC (BICT)
Carrier	vessel owners, operators, charterers or their agents
CY	container terminal and yards or any other area within Batumi Sea Port allocated for use by BICT
Direct Delivery	the transferring of cargo between vessel or container and road or rail transport without being grounded in CY
FCL	Full Container Load – a loaded and sealed container received or delivered by BICT
LCL	Less than Container Load – a container stuffed or stripped by BICT covered by two or more Bills of Lading
Free Time	a period of time during which containers or cargo may be left in the CY without incurring storage charges
Freight tone	one tone of cargo of 1000 kg or 1 cubic meter whichever is the greater
Restow	the movement of container or cargo from one stowage position to another
Transshipment	containers or cargo transferred from one vessel to another without leaving the port, charged to first carrier
Transit Cargo	cargo that is reloaded on the terminal from one land transport to another
Stevedoring	moving of container or cargo from vessel to CY or vice versa
Handling	receiving or delivering of containers or cargo to/from land transport
Manipulation	moving of containers or cargo within CY e.g. for stripping, inspection, etc.
Storage time	storage time starts on the day vessel completes discharging for import or on the day container or cargo is received on the terminal for export
OOG	Out Of Gauge
IMDG	International Maritime Dangerous Goods
